A RESOLUTION TO EXPRESS SUPPORT FOR HOUSE BILL 344 AND SENATE BILL 228 LIMITING RECOVERY OF RATE-CASE EXPENSES FOR CERTAIN WATER WORKS AND SEWAGE DISPOSAL SYSTEM COMPANIES

WHEREAS, the residents of Sharon Township, Franklin County, Ohio have been subjected to excessive water and sewer rate increases in recent years; and

WHEREAS, Representatives Goyal and Harris have proposed House Bill 344 and Senator Goodman and Hughes have proposed Senate Bill 228, which are bills that limit the recovery of rate-case expenses from consumers for certain water works and sewage disposal system companies; and

WHEREAS, the bills would put reasonable limits on the fees privately owned water works and sewage disposal companies may charge their customers for rate-case expenses; and

WHEREAS, the bills represent an important effort to keep water and sewer rates reasonable for economic development and create communities that are affordable to live in; and

WHEREAS, current law allows water works and sewage disposal companies to pass on one hundred percent (100%) of their rate-case expenses including legal fees, research costs, rate-related study costs, and more; and

WHEREAS, House Bill 344 and Senate Bill 228 apply only to companies who serve 15,000 or more customers, and

WHEREAS, the bills would involve approximately 145,000 Ohio consumers receiving water and sewage disposal services from companies which would be affected by these bills; and

WHEREAS, Ohio American Water, which serves areas of Sharon Township, would be one of the companies affected by these bills; and

WHEREAS, the residents of Sharon Township would be positively impacted by passage of either House Bill 344 or Senate Bill 228.
